

REMARKS

Claims 37-50 are pending in the Application. Claims 37 and 44 are being amended. Support for the amended claims can be found at least on page 17, line 7 through page 18, line 14 of Applicants' Specification as originally filed. No matter is being added by way of this Amendment.

Regarding claim rejections under 35 U.S.C. 112, paragraph 2.

Claims 37-50 were rejected under 35 U.S.C. 112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicants regards as the invention.

To clarify, Applicants amend base claims 37 and 44.

Applicants greatly appreciate and thank the Examiner for conducting an Examiner's Interview on August 31, 2007. In the interview, the Examiner agreed that amended claims 37 and 44 overcome the 112 rejections.

Claims 38-43 and 45-50 depend from claims 37 and 44, respectively, and as such, should be allowable from the same reason from which they depend. There are no other rejections in the Application. Accordingly, Applicants respectfully submit that the claims are in condition for allowance.

CONCLUSION

In view of the above amendments and remarks, it is believed that all claims (claims 37-50) are in condition for allowance, and it is respectfully requested that the application be passed to issue. If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
